

Instruction Disclaimer

Dennis Kirk provides instructions to help our customers better understand how to install the products we sell. The instructions are exact copies of what the manufacturer includes with the product being sold.

That means the quality and accuracy of the instructions is solely dependent on what the manufacturer produces. We do our best to make the text legible and the pictures viewable. However, the end result depends largely on the quality of instructions the manufacturer provides.

Therefore, you will find that some instructions are not of the highest quality. Sometimes text is hard to read and pictures are not easy to see. At times you will find the overall look of the instructions to be less than professional. However, we feel it is better to provide what we have rather than provide nothing at all.

To the best of our knowledge the instructions and application information contained in the instructions is accurate. However, Dennis Kirk assumes no liability related to any errors that may be contained in the copy of the manufacturer's instructions we provide. Buyers are solely responsible to insure that product use is consistent with their application.

If you have any questions please contact us at customerservice@denniskirk.com or 800-969-7501 so we can further assist you regarding additional product information or any other business related questions.

Thank you for doing business with Dennis Kirk.

INSTALLATION INSTRUCTIONS

LODESTAR HANDLEBAR SLIDERS FOR BMW F 750 GS & F 850 GS

3809 GOLD, 3812 BLACK, OR 3815 SILVER

THANK YOU FOR CHOOSING KURYAKYN!

Protect yourself and others from possible injury and property damage or loss. Pay close attention to all instructions, warnings, cautions, and notices regarding the installation, use, and care of this product.

WARNING THIS INDICATION ALERTS YOU TO THE FACT THAT IGNORING THE CONTENTS DESCRIBED HEREIN CAN RESULT IN POTENTIAL DEATH OR SERIOUS INJURY.

CAUTION THIS INDICATION ALERTS YOU TO THE FACT THAT IGNORING THE CONTENTS DESCRIBED HEREIN CAN RESULT IN MINOR OR MODERATE POTENTIAL INJURY.

NOTICE THIS INDICATION ALERTS YOU TO THE FACT THAT IGNORING THE CONTENTS DESCRIBED HEREIN MAY NEGATIVELY AFFECT PRODUCT PERFORMANCE AND FUNCTIONALITY OR DAMAGE THE PRODUCT ITSELF OR THE PRODUCT TO WHICH IT IS BEING ATTACHED.

ENSURE THAT THE FOLLOWING PARTS HAVE BEEN INCLUDED IN THE KIT:

- 2 Handlebar Sliders

YOU WILL ALSO NEED:

Torx wrench set, blue loctite

NOTICE THESE INSTALLATION INSTRUCTIONS CONTAIN IMPORTANT INFORMATION. ENSURE THE END USER RECEIVES THIS COPY AND IS AWARE OF ITS IMPORTANCE FOR FUTURE USE.

Note: These handlebar sliders also replace the stock bar end weights inside of stock handguards on R 1200/1250 GS/ADV, F 850 GS ADV and S 1000 XR. Installation photos shown are of a F 750 GS, which does not have handguards.

STEP 1 Read and understand all steps in the instructions before starting the installation. Park the motorcycle on a hard, level surface and turn off the ignition. Let motorcycle cool.

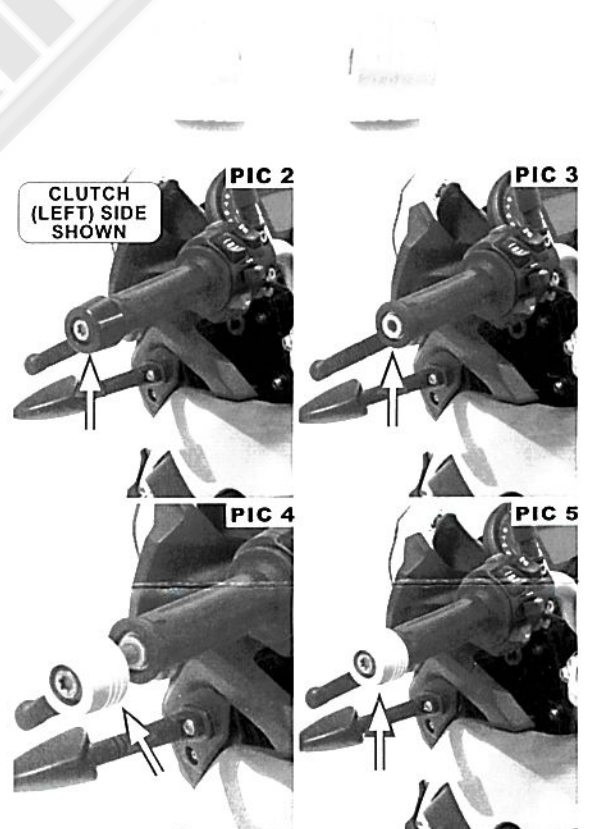

STEP 2 Refer to PIC 2 and 3. Remove existing hardware from the handlebar's endcap. Apply a small amount of blue loctite to the threads of the fastener that was removed. Set it aside, it will be reused.

STEP 3 Refer to PIC 4 and 5. Locate one (1) provided Handlebar Slider and the hardware that was removed in Step 2. Align the slider on the end of the handlebar assembly and fasten it in place using the OEM hardware. Fully tighten hardware.

Note: If using the handlebar sliders on the inside of the handguards of a R 1200/1250 GS/ADV, F 850 GS ADV or S 1000 XR: align the handlebar slider on the inside of the handguard and either fasten the handguard and slider in place using the existing hardware, or align an additional handlebar slider (parts 3800, 3803, 3806; sold separately) on the outside of the handguard and then fasten them all in place using the existing hardware.

STEP 4 Repeat Steps 2 through 4 on the opposite side.

PIC 1
